SOLID

is known for its durability and high quality.
Made from natural hardwood,
it is ideal for furniture and doors.
The company offers a variety of finishes
with excellent moisture resistance,
making it a great choice for various projects.

WOODEN

are a popular choice in interior and exterior design due to their natural beauty and warm feel.

They are used in furniture and wall paneling, adding an elegant and authentic touch.

Stainless

refers to a smooth, sleek surface with a polished finish that resembles stainless steel.

This type of finish is commonly used in modern designs, giving the wood a refined and elegant look while maintaining its natural strength and beauty.
